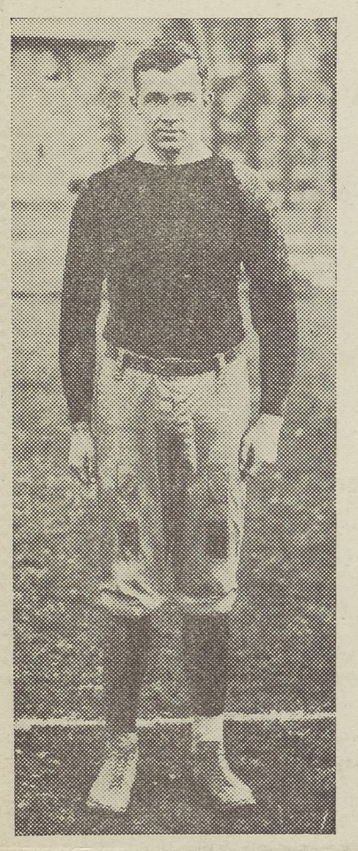
REVIEW OF 1924 FOOTBALL SEASON

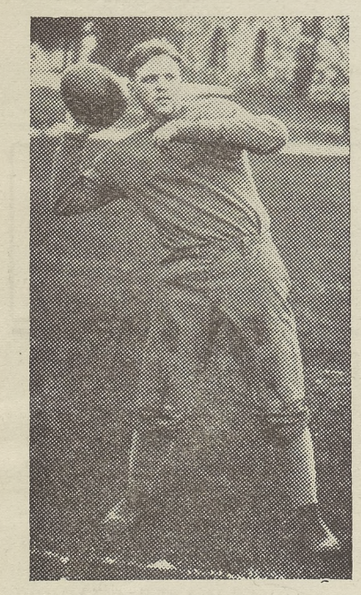
Much Improvement Shown in Squad—Hamilton Outplays Heavier Teams but Takes Several Defeats—Much Credit Due to Coaches

The Union game on Nov. 10 ended the Buff and Blue's 1923 football season. In the point of games won and points scored the year was unsuccessful. However, in four of the eight contest the lighter and less experienced Hamilton eleven put up the better showing. A comparison of the number of first downs bears out this fact. Furthermore, a glance at this year's score sheet shows the 1923 team to be far superior to that of last year. Forty-three points were scored to last year's nine.



COACH (BART) CARROLL

Coaches Carroll and McBride are to be complimented on their untiring efforts in rounding a team into shape from the material that reported at the beginning of the season. They developed a line that held time after time in the tight places. The Morris-Towne -Martin backfield combination, although only averaging 159 pounds, seldom failed to outplay the opponent's heavier backs. R. Stanley in his first year as varsity quarterback displayed qualities that mark him as a first-rate field general. The coaches have undoubtedly succeeded in putting across the Bankhart system and another year will show results in points as well as yards gained.



"DEED" TOWNE
Fullback

The season opened a week earlier than usual when the team stacked up against the St. Stephens eleven here on Sept. 22. Before the end of the first period Alison, as a result of a series of line plunges in which Morris and Towne featured, carried the ball over for the season's first touchdown. Towne made the kick. Then the Annandale team tried several long passes, two of which netted touchdowns. A fumble recovery and another pass made another two. In spite of the score Hamilton outplayed the visitors in every department except forward passing. It illustrated well a difficulty that became more apparent as the season went on. The next Saturday at Williamstown the Buff and Blue went up against a Purple team that not only outweighed

COLGATE TAKES LAST SOCCER GAME 5 — 0

Buff and Blue Distinctly Outplayed on Muddy Field

The Buff and Blue soccer team met defeat in its last game of the year with Colgate last Wednesday by a score of 5-0. The condition of the soccer field, due to the rain, probably contributed more to Hamilton's defeat than anything else. A good show of foot work was impossible. Colgate's soccer field, according to the report of their manager, had been in this condition for a longer period than Hamilton's field The Colgate men on the whole were heavier and better able to keep their balance. This game was the first game Colgate had played in four weeks. During this whole time they practised steadily developing their aerial passing, which proved so effective against Hamilton's foot passing on that muddy field. It was this effective offensive work that won the game for Colgate.

Captain Chevreaux played his usual consistent game, but the excellent pass work of the forward line at this situation enabled Colgate to make her points. Hamilton might easily have scored but the exceptional work of Colgate's guard stopped it.

Captain Chevreaux, Brownell, Heffron, Moore ,and Meehan played their last game for the Buff and Blue and all played an exceptionally spirited game. For Colgate, Captain Schmidt and McConnell were the outstanding players.

The game was played in two periods of thirty minutes each.

REVIEW OF SEASON

The final game on Hamilton's soccer schedule was played on the Hill last Wednesday when Colgate, on a sloppy field, defeated the Buff and Blue five goals to nothing. The very poor condition of the field made a fast game impossible and the heavier Colgate team was able to work the ball down to the Hamilton goal for four tallies in the first half and one in the second. Hamilton played a hard, fighting game but their attack was turned back by the good work at the Colgate goal. Captain Chevreaux played a fine game in defense of the goal, in spite of the uncertain footing of the mud. The Buff and Blue was defated on the Colgate field early in the season by a 5-2 score and the team, much improved in team-play, were eager to wipe out that score with a victory but were defeated by the poor field.

The fourth season of soccer at Hamilton opened with a game with the Clark Mills professional team on Sept. 29. The team in its early practice games against visiting professional teams did not make an auspicious beginning but after three defeats had been chalked up, they hit their stride in the Williams game, which they turned in for a 5-0 victory, and continued with a clean slate until the final game with Colgate.

Hamilton was defated by Clark Mills in its first game by the score of 4-3. Although outplayed in the first half by the more experienced visitors, the Buff and Blue came back in the second period and pressed the Mills team for the honors. At Colgate the team suffered a 5-2 defeat after a bitterly contested game. Chevreaux and Heffron starred in the defense and offense.

Sherrill defeated Hamilton in a fast, clean game by a 3-2 score. In the second half the Hill team came up from behind in the score and equaled the visitors tallies and the battle for the deciding score was very close but Sherrill managed to beat them out by the lone goal. Showing improvement in every department of the game, the Buff and Blue kickers outclassed the visiting Williams team in the next game and scored a 5-0 victory. The Saturday of House Party the team traveled to Syracuse and played a scoreless tie with the fast Orange eleven, with both teams featuring excellent work in guarding the goals.

R. P. I. was defeated on the Hill by 3-1. The muddy field slowed up the play but the victory was quite decisive.

Through graduation, Coach Gelas lost some of his best backfield material but this year he developed a combination which proved to work effectively on the defense to break up the goal attack. Meehan, '24, at right fullback, although this was his first season, proved a reliable defense and Howk, '27, at left half, covered his territory effectively. Heffron, '24, returned to the squad this season and, playing at his old position at center, led in the scoring for the year, and was a valuable man on the attack. Hatch and Moore, veterns of last year, were in excellent form and played a good game concistenly. Captain Chevreaux in every game showed his skill at his position of goal guard, in spectacular stops which turned aside the attack. Forshay, '27, proved to be a valuable substitiute and should develop into a good man on the line. Much praise should be given Coach Gelas on his work in developing the teamplay which showed itself in the victories of the season.

HOCKEY TEAM TO PLAY DIFFICULT SCHEDULE

Most Daring Schedule Ever Attempted for Hamilton Team Being Prepared by Mgr. Howe—Games Listed with Big Three

The hockey schedule for the year 1923-24 has been brought to completion. There are to be fifteen games, ten of which are to be played at Hamilton. Notable on this list is the presence of the Big Three. This is one of the hardest schedules so far, but with the present outlook the Buff and Blue team will be able to win a good percentage of the games played.

Under the leadership of Capt. Bates the team will strive to retain its high position in the hockey field. Marlow and W. Thompson were the only regulars who graduated last year and it is hoped tht some of last year's freshman team can be developed to take places on the squad.

The schedule is as follows:

Dec. 15, open; Jan. 5, University f Montreal, here; Jan. 9, Queen, here; Jan. 12 Clarkson Tech, here; Jan. 18, Columbia (tentative) there; Jan. 19, here; Feb. 1, Union here; Feb. 9, R. here; eFb. 1, Union here; Feb. 9, R. P. I. here; Feb. 11, U. of Penn. (tentative) there; Feb. 16, Amherst here; Feb. 20, Harvard there; Feb. 23, Columbia (tentative) here; Feb. 27, Princeton there; Mar. 1, Williams (tentative) here.

BASKET BALL SQUAD STARTS PRACTICE

It has been decided to omit the usual inter-class basketball games this year, because of the nearness of the opening game of the intercollegiate season with St. Lawrence. As this is on Dec. 14, only a month away, a period of two weeks of class games would not leave sufficient time for the varsity to work into shape. Practice for the team started yesterday, although the men who have played football in the past season are being excused for a week to rest up. The squad tryouts will be held on Monday, Tuesday and Wednesday of next week, and it is probable that the final selection of varsity material for the season will be held on Wednesday.

Manager Johnson has arranged a good stiff schedule for the winter. This includes the usual two games apiece with Colgate, Union and Rochester and in addition provides for contests with five teams which the Buff and Blue has not met before: St. Bonaventure, Albright (the Prom game), Albany Law, St. Stephens, and Manhattan. Prospects are very bright for an excellent showing this year; four varsity men, Captain Hamilton, McGiffin, Hatch, and H. Marquardt, should form the backbone of a fast-playing, hard-fighting team. A great deal of promising material is expected to be found in the freshman class.

LARGE CROWD SEE UNION TRIUMPH

Over 3,000 People Attend Annual Clash Between Rivals—Mock Football Game Between Halves

Three thousand people, the largest crowd that ever witnessed a football game at Steuben Field, saw the Garnet of Union defeat the Buff and Blue of Hamilton last Saturday and at the same time shatter a tradition of a quarter of a century's standing. The field was in good condition, the weather was ideal, and both teams had been primed for the contest from the beginning of the season.

The tradition, dear to the hearts of every Hamilton man, was broken in the third quarter when Union scored two touchdowns on Steuben Field. For twenty-five years no Garnet eleven has been able to score, and Union has felt that a jinx has been over them. Last year, Hamilton broke a similar tradition of nine years' standing when they scored a touchdown at Alexander Field in Schenectady.

It was the opinion of many who saw the game that Hamilton had somewhat over-estimated the power of the Union jinx and had placed too much confidence in the tradition.

The crowd at the game was distinctly a big game crowd. There was more youth and enthusiasm, more color, more grey-haired alumni, more good-looking girls, more expensive clothing, than is customary at the usual athletic events. The crowds began to pour into the grandstands shortly after 1 o'clock. Hundreds of automobiles were parked all over the campus, and crammed the vantage points from which the game could be seen.

At 2 o'clock the Hamilton students, headed by their own brass band playing a marching song, and a goat wearing a Union blanket, paraded around the track to the student section in the grandstand A thousand people filled the Union bleachers opposite. For the half hour before the kick-off, the Union stands were kept in a continuous turmoil of yelling and cheering. The Garnet band, although rather late in arriving, made up for its tardiness by increased activity when it did reach the field.

Between the halves of the game a mock football game took place between teams composed of Hamilton freshmen and sophomores, who were dressed in fantastic costumes and certainly acted the parts of clowns. The referee was "Biff" Bates and the game seemed to consist of a series of non-kicks and non-tackles. After a few minutes of this interesting and varied style of playing a slow motion rehearsal of some of the plays was given with great success. Then the teams left the field amid the cheers of both Hamilton and Union rooters.

The crowd was tense every moment. Every play was followed either by a groan or a slight, but electrically-charged cheer. Up to and through the end of the first half, the crowd went through fully as much torture as the football team. It was the torture of suspense and tenseness.

Then Union crept near the danger line—the crowd leaned forward, breathless. "They can't score," was the thought on every Hamilton rooter's lips. But the impossible happened—Union scored a touchdown. The crowd uttered a gutteral "Ugh!", just as though every one of them had been dealt a solar plexus blow. The quarter of a century's tradition had been broken. From that moment on a spirit of depression settled over the crowd and did not lift even when Hamilton scored a touchdown. Union had broken the tradition, was the indelible thought that spread gloom through the Hamiltonians.

Union rooters on the other side of the field went wild. Union men at the Press Table shouted "Wonderful!" The breaking of such a tradition was too noble a thing to call forth coarser expressions.

The game ended with Hamilton's tally 9 and Union's 14. The Buff and Blue team had fought hard and been licked. But they had met worthy opponents and there was no spirit of

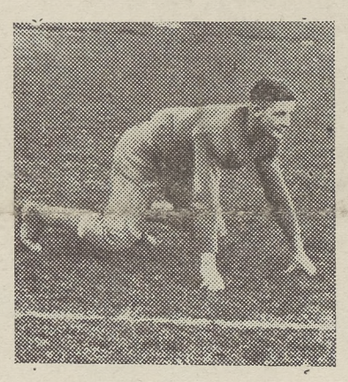
UNION BREAKS TRADITION, BEATS HAMILTON 14 -- 9

Scores for first time on Steuben Field, game well played throughout — Morris individual star of the day, Towne, Capt. Brush, Martin, Hamilton and McGiffen also played fine game for Buff and Blue.

The law of averages finally triumphed over a tradition that had stood for nearly a quarter of a century when Union defeated Hamilton 14 to 9 in a spectacular contest Saturday on Steuben Field. The Buff and Blue started out with a whirlwind attack on the Garnet and when the first half was finished held the lead by the margin of a field goal, her own goal line still uncrossed. Then in the third period Nitchman, Garnet quarterback, hurled a 20-yard lateral pass over the goal line into the waiting arms of North. The impossible had happened: Union had scored on Steuben Field for the first time since 1898.

While the Hamilton team was still in a semi-dazed condition the Garnet launched a second powerful attack and scored another touchdown when Stanley leapt over the goal line from a close scrimmage formation. Nitchman, as before, kicked the goal.

The Buff and Blue came to life again with a rush and played the visitors off their feet—but it was too late. In the last period the Buff and Blue staged a brilliant march up the field which ended in Morris' going over the line for a touchdown. Towne failed to kick the goal when the pigskin hit the cross bar of the goal posts. The Garnet, after receiving the kick-off, managed to stall until the final whistle blew.



CAPT. FRED BRUSH

The entire Hamilton team played a stellar brand of football. The backfield, which remains intact for next year, was able to gain consistently through the Union line. Towne, Martin and Morris all did fine offensive work. After being kept in bed all week by a severe attack of tonsilitis, Towne started against Union and played a magnificent game both on the defense and attack. Captain Brush and the two veteran ends, McGiffin and Hamilton, fighting their last game for Hamilton, played brilliant football. Captain Brush was particularly effective in smearing Union plays.

Towne kicked off for Hamilton at the start of the game and Nitchman ran the ball back to the 27-yard line. After several plays Union fumbled and Hamilton fell on the ball. The Hamilton backs forced their way up the field to the Union 12-yard line. The Buff and Blue was held for three downs and then Towne made a pretty place kick. Score: Hamilton 3, Union 0.

In the second quarter Union's advance down the field was stopped when Morris recovered a fumble from Stanley. Neither team was able to gain consistently and there followed an exchange of punts. Seven minutes before the end of the half, Hamilton began an advance from her 20-yard line that was stopped on the Garnet 20-yard line. Alison substituting for Towne, was thrown for a 5-yard loss when Klein broke through the Hamilton line and stopped an attempted trick play. Hamilton had the ball on about her 30-yard line at the end of the half.

Union made her first touchdown in the second half on a spread formation. Nitchman threw a beautiful lateral pass to North who was waiting behind the Hamilton goal line. Nitchman kicked the goal. Score—Union 7, Hamilton 3.

A few minutes later the Garnet again brought the pigskin within striking istance by a series of successful forward passes. With the ball on their 11-yard line, Hamilton was penalized 10 yards. Stanley hurdled over the center of the line for the touchdown. Nitchman made the seventh point. Score: Union 14, Hamilton 3.

Play became furious and rough. North, Union left halfback, was put off the field for unnecessary roughness. Towne was injured but kept playing. The Buff and Blue backs ran wild in the last period. Towne, Martin, and Morris made consistent gains of eight and nine yards that brought the pigskin to the Union 4-yard line. On the last down Stanley tried a pass that was grounded. Union worked the ball out to the 38-yard line, where Morris fell on a fumble. Morris, Martin and Towne each made gains of ten yards. Stanley made three more which gave Hamilton first down. Morris went over for a touchdown. Towne missed the goal by inches. Score: Union 14, Hamilton 9.

In the last few minutes of play Hamilton tried desperately to get possession of the ball. Union received the kick-off and stalled until the final whistle blew.

The following is a play by play account of the game:

First quarter. Towne kicked off to Nitchman on his 34-yard line. Nitchman ran the ball back to Hamilton's 34-yard line. North gained five yards through left tackle. Palmer gained two through the same place. Nitchman hit center for two yards. Stanley fumbled on the next play and the ball was recovered by Hamilton. Towne hit center for five yards. Morris gained two yards through the same place. Martin tried right tackle and made a first down. Towne made four yards through the same place. Again Towne hit right tackle and gained three yards. Morris skirted left end for ten yards. Martin made four yards through left guard. Towne hit left guard for a yard. Morris made two yards through right tackle. Towne then booted a place kick through the goal posts from the 12-yard line, scoring three points. Towne's kick-off went over the goal line and was brought out to the Union 20-yard line. North made five yards through center where he was tackled by Towne. Palmer hit the same place for five yards. Stanley made eight through left tackle Palmer tried a center buck and was downed at the line of scrimmage.

"RED" MORRIS
Half Back

Palmer crashed through left tackle for four yards. North hit right tackle for four yards and a first down Palmer rushed the center for a yard. Stanley made a gain of three yards through right tackle. Nitchman kicked to Stanley, who played a safety. Morris speeded around left end for 15 yards, Martin bucked right tackle for five yards, Towne gained five yards but Hamilton was penalized five yards for being offside on the play. Morris on a crisscross play rushed left tackle for a gain of four yards. Towne punted to Nitchman on their 40-yard line and Don Hamilton downed him in his tracks. Nitchman attempted to skirt right end and was nailed for a loss of four yards. Knight received a 5-yard pass from Nitchman and was stopped in his tracks by Towne. Nitchman punted to Stanley on Hamilton's 16-yard line. Morris made a yard

Back to Work.

The football season is over. The Union game is a thing of the past. Cross-country and soccer are finished for the year of 1923. Now is the time to settle back and get down to the real serious work of the college year. Athletics have their important part to play in the scheme of undergraduate life, and the major part of their activity is over for the fall.

In a very short time the winter sports will begin their period of activity. Between now and that time there will be a short interval which can be well applied in curricular work. This is not meant to imply that the curricular work has suffered by athletic competition, because it has not; but the period that will mean the most in the term's work is right now. Examinations are not so far off. Christmas vacation is only a little more than four weeks away, and after that every effort is concentrated in preparedness against casualties. The most important part of the work in the individual courses is being done now. Wholehearted effort and honest work will accomplish much.

Banquet Season.

It is customary after the Union game has been played for the two under classes to hold their annual banquets. It is the purpose of each class to prevent the other from holding their banquet. This custom is an excellent one if not carried too far.

It must be remembered that the freshmen are living in a new atmosphere and that they have about become acclimated. The sophomores and upperclassmen should see that not too much time and energy is placed in needless rows.

Another thing that must be kept in mind is that the entire college is judged by the actions of the undergraduates when outside of college restrictions. Several unfortunate occurrences have happened in nearby cities during past banquet seasons. These have occurred just through carelessness and not through malice or forethought.

The way to solve the difficulties will be to have the underclassmen and particularly the freshmen get their work out in the spare time during the day. Let every underclassman remember that his college will be judged by his actions, and there will be no need for worry.

The soccer team has only lost two intercollegiate contests and both of those were to Colgate. They have worked hard and faithfully and have done much for the college. Are numerals to be their reward?

Charles Judson Palmer of the Class of 1871 Dies in Little Falls—Lawyer for Over Half Century

Charles Judson Palmer, who graduated from Hamilton College in 1871, passed away at his home in Little Falls, on the morning of October 26th. His death followed an attack of acute indigestion from which complications developed.

He was born on January 20, 1846, in Plainfield, Otsego County, the son of Walter and Rachel Smith Palmer. As a preparation for college he attended West Winfield Academy and Cazenovia Seminary. He entered Hamilton College in 1867 and became a member of the Delta Kappa Epsilon fraternity. During his junior year in college he taught mathematics in the West Winfield Academy. After graduating from Hamilton with the degree of A.B. he taught for a short time at Richmond, Ill. During this time he studied law and was admitted to the bar in November, 1871. He settled in Little Falls, where he practiced his profession for over half a century. He was influential in public affairs and was a loyal supporter of the Republican party. He was a scholar of the highest class and many of his happiest hours were spent with his books. He was a member of the Masonic fraternity.

Attorney Palmer was married on September 13, 1871, to Miss Abby Washburn of Litchfield. He leaves his wife, one daughter, Mrs. John Roberts of Schenectady; three sons, Dr. Charles B. Palmer of Phoenix, Ariz., Attorney Walter M. Palmer of Brooklyn, and Ray E. Palmer of Elmira; one brother, Dr. Walter B. Palmer of Utica, and one sister, Mrs. Rachel P. Walker of Utica.

SOPHOMORES BEAT FRESHMEN

In the annual sophomore-freshman soccer game, the sophs emerged triumphant. Fighting every minute of the game, the frosh were heroic in defeat. While the sophomore team was faster and surer, the freshmen were not lacking in cooperation. The playing was for the most part in the freshman territory, but the frosh had many chances for goals which they would not have missed on a dry day. In the first half, Nicholson scored one point and Payne one for the sophs; Robinson scored once for the frosh. Forshay, in the forward line, Howk, and Goodwin in the backfield played a very good game for '27. Nicholson and Payne, forwards, Doty, fullback, and Mann, halfback, starred for '26.

The freshmen threatened the soph goal several times during the second half but excellent guarding prevented a score.

Nicholson and Payne repeated their performance of the first half. Darkness interfered somewhat towards the end of the game. It might be said that the class spirit was very poor as only a few of each class went out to cheer their teams. Those few made a lot of noise, however.

The two classes now look forward to the inter-class football contest, the frosh to avenge their defeat, the sophs to further the humbling of their opponents. The odds are even on the game.

Alumni News

(Collected by Prof. W. H. Squires)

—Rev. Charles L. Luther, '83, has been installed pastor of the Chocrain Presbyterian Church at Oneida Castle, following Rev. Robert E. Schwenk, '15, who has gone to Mechanicville.

—Curtis B. Miller, '89, announces that he has now associated with him as partner in the general practice of law, his son, Barton Dunen Miller, '19. Law offices are in the Martin Building, Utica.

—At the installation of the new pastor of the Presbyterian Church in Dansville, Rev. Dr. Warren Sage Stone, '99, of the First Presbyterian Church, Rochester, preached the sermon, and Rev. Dr. Frank L. Weston, '00, of the Brighton Church of Rochester gave the charge to the pastor.

—Luigi U. Salbitano, '20, has been granted a scholarship in Romance Languages in Columbia University. Salbitano has been writing some interesting articles for the New York Times on educational problems. His articles on the advantages of the small college are exceedingly apt and interesting.

—C. Willard Rice, '96, has become Vice-President and cashier of the National Bank of Geneva that opened the first of October with a capital of $300,000 and surplus of $600,000 paid in cash. Mr. Rice has been a lawyer in Geneva since 1909, but he will hereafter give his personal attention to the duties of his new office. This new bank takes the business and assets of the old Geneva National Bank.

—The Rochester Democrat and Chronicle reports that the Garlock Packing Company of Palmyra, of which Senator F. W. Griffith, '86, is President and Treasurer, is building a $250,000 addition to its plant to provide for the great expanse of business. Frederick A. Griffith, '16, is now at the head of the Los Angeles Office of this company and is one of the youngest managers that the Garlock Company has in its national and international system.

—President William Arnold Shanklin, D.D., LL.D., '83, has resigned the presidency of Wesleyan University after 14 years of service in that office. President Shanklin had been at the head of the Upper Iowa University before going to Wesleyan. For 18 years he had been pastor of various Methodist churches in the Middle West and on the Pacific Coast. A year ago last June, President Shanklin was granted a leave of absence because of his health, but found it impossible to take up his duties as President this fall. The trustees elected him President Emeritus September 7th.

—On October 8th, the Bath Presbytery installed Rev. George H. Allen, Jr., pastor of the Bath Presbyterian Church. Mr. Allen had held pastorates of the Brockport and the Fredonia Presbyterian churches. During the Great War, Mr. Allen was overseas as Camp Pastor. He took a postgraduate course in Columbia University for the M.A. degree. Rev. Carl W. Scovel, '88, pastor of the Presbyterian Church at Cortland, preached the sermon and Rev. Dr. Elmer J. Stuart, '03, of Corning, assisted in the services.

—Principal Charles W. Lewis, '02, head of the High School of Kingston, has been elected Principal of the High School of Englewood, N. J., at a very substantial increase of salary. During the seven years of Lewis' incumbency the Kingston High School has increased in numbers of students, but the efficiency of the teaching there has also greatly increased as manifested in the record of the school in the Regents Examinations. In 1916, 1050 examinations papers were written by the students and 61 per cent passed. In 1923, 2319 papers were written and 91 per cent passed. Principal Lewis was interested in all the activities of the community, being trustee of the Masonic Lodge, director of the finance committee of the Girl Scouts' Council, chairman of the Boys' Work committee, an active member of the Chamber of Commerce, and President of a large manufacturing concern of the city. He was instrumental in raising the proposed $25,000 Y. M. C. A. fund and "went over the top" by $5000. Lewis has an enviable career as High School man during the last 21 years. He begins his new duties in Englewood the middle of November.

—Every loyal alumnus should subscribe for Hamilton Life.

HAMILTON GRADUATES ARE HONORED

John Van Kennen, graduate of the class of 1921, was elected Justice of the Peace of the Town of Oswegatchie. This is a signal honor for one so young. Mr. Van Kennen has had a varied career; during the War he served in the Air Service and now holds a commission in the Officers' Reserve Corps. He studied law at Columbia, and, at the completed of his course, received a position in the law offices of Spratt and VanKennen, in Ogdensburg.

Francis J. Burns, class of 1922, was elected Town Clerk of the Town of Kirkland. Since his graduation he has been studying law in the law office of O. Gregory Burns, Clinton.

FRESHMEN TO DEBATE U. F. A.

Preliminary steps towards organizing a Freshman debating team vere taken by Professor Marsh last week upon receipt of an informal challenge from Mr. Hartness, instructor in Public Speaking at Utica Free Academy, for a debate between the Hamilton freshmen and the Academy team.

Mr. Marsh has compiled a list of all the freshmen who have done any scholastic debating in high school and the number of debates each has participated in. No definite step has been taken toward choosing the team, however, and try-outs will probably be held in the near future.

Although the subject has not been named, it is understood that it will be something about the World Court. Utica defeated last year's freshman team.

LARGE CROWD SEES UNION TRIUMPH

rankling resentment anywhere.

Fraternity houses entertained visiting brothers at dinners and theater parties and had alumni reunions after the game. It was remarked that more alumni were back for this year's classic than in many preceding years.

Gate receipts were said to be $3,300, all that was expected. They were the largest that have ever been taken in for any athletic contest at Hamilton. It is believed that the financial success of the game was due, in large part, to the active publicity campaign carried on for weeks preceding the big day. Signs, placards, and posters had been distributed everywhere in the surrounding country. All the newspapers in the vicinity and from Utica to Binghamton and from New York to Buffalo had been supplied with stories on the biggest small college classic in the state. Movie slides advertised the game in Utica motion picture theaters. Fraternity houses, dormitories, and college buildings displayed banners inscribed "Beat Union" and "Get Union."

REVIEW OF 1924 FOOTBALL SEASON

them fifteen pounds to the man but that has been kept practically intact for two years. Hamilton suffered at the hands of Williams' better handling of the ball and end running. Alec Alison, star punter and end skirter, was unable, due to injury in practice, to perform. Fumbles were frequent on both sides. Hamilton 0, Williams 34.

In the second home game with St. Bonaventure the breaks were again against Hamilton. The Pennsylvanians had the best team in years. The brilliant open field running of Captain Lucco proved to be the undoing of Coach Carroll's men. They were hampered again, however, by the loss of Alison, McGiffin and Baker. Frequent and severe penalties for slugging on the part of the visitors detracted from the quality of the game. Towne succeeded in carrying the ball to the 1-

yard line and Stanley put it over. Hamilton 7, St. Bonaventure 19.

It was in the game with Rochester there the following week that the team really outclassed its opponents. On five different occasions Capt. Brush's men tore through the Yellow defense to their 5-yard line. Each time they were denied a score. Three fumbles, an intercepted forward pass and a 5-yard penalty tell the story. The loss of four veterans was a hard one to replace. Hamilton gained 17

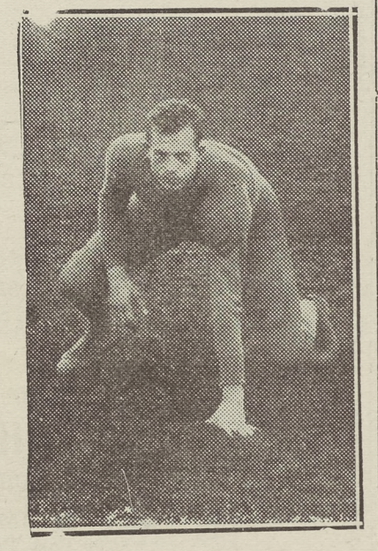
first downs to Rochester's 11. Towne played his usual consistent game, making in all 107 yards by line bucks and off tackle plays. Hamilton 0, Rochester 13.

Suffering still from the loss of four first string men, the Buff and Blue played its fifth game at Troy against the heavy and well balanced R. P. I. eleven. Coach Carroll was forced to use in all six freshmen during the game. The Cherry and White outfit clearly surpassed Hamilton and coupled with the fact that they were playing a much lighter team they put forth an almost invincible combination. Hamilton 0, R. P. I. 35.

The old time Hamilton fighting spirit came forth in all its glory in the house party game with St. Lawrence on Oct. 27. The Canton team coached by last year's Cornell captain, Eddie Kaw, came on the Hill with nearly 500 supporters primed for a victory. And in the first half, Lightfoot, the Scarlet fullback, crossed the line twice but the tries-for-point were unsuccessful. It was by this margin that the Buff and Blue won its first victory since a memorable Nov. 19, 1921 when Union went home with a 7-0 defeat. In the second half, a 15-yard penalty put the ball on the 3-yard line. Towne, previously aided by Morris, made the touchdown. His trusty boot also netted the seventh point. The last quarter was well underway when Stanley shot a long diagonal pass to Morris, who made a sensational 60-yard run, safely crossing the line. Towne made the point. Hamilton 14, St. Lawrence 12.



"HAM" BOOKHOUT
Left End

The game with Buffalo on the new Rotary Field there the next week was marred by deliberate rough work on the part of the Blue and White and apparently official partiality on the part of the referee. At any rate he was safely conducted from the field by a cordon of exuberant U. B. alumni. The Buffalo team scored early in the game by a line buck which was the result of an end run. Vanini scored the extra point. Then followed a whirlwind Hamilton attack which resulted in Morris' making the touchdown. The kick was unsuccessful. Hamilton 6, Buffalo 7.

The first half and the last quarter of the Union game from the Hamilton standpoint constitute the best exhibition of football in many games. Towne, Morris, Stanley and Martin played first-rate ball thorughout. Captain Brush and McGiffin on the line were towers of strength. There is no fault to be found with the Buff and Blue teamwork; it was superb. The Garnet made 8 first downs to Hamilton's 16. Hamilton 9, Union 14.
